PRELIMINARY PROXY STATEMENT — SUBJECT TO COMPLETION, DATED [], 2020
2020 ANNUAL MEETING OF SHAREHOLDERS
OF
TEGNA INC.

PROXY STATEMENT
OF
STANDARD GENERAL L.P.

March • , 2020

To Our Fellow Shareholders of TEGNA Inc.:

We are furnishing this Proxy Statement to holders of the common stock, par value \$1.00 per share (“Common Stock”), of TEGNA Inc. (“TEGNA” or the “Company”), in connection with our solicitation of proxies for use at the 2020 Annual Meeting of Shareholders of the Company scheduled to be held on April 30 , 2020, at 8:00 a.m. ET, at 8350 Broad Street, Tysons, VA 22102 and at any and all adjournments, continuations or postponements thereof (the “Annual Meeting”).

This solicitation is being conducted by Standard General L.P. (“Standard General”), Standard General Master Fund L.P., David Glazek, Soohyung Kim, Daniel Malman, Amit Thakrar and Stephen Usher (collectively, together with Standard General, the “Standard General Parties” or “we”), as well as Colleen B. Brown, Ellen McClain Haime, Deborah McDermott and Lawrence Wert (collectively, and together with Soohyung Kim, the “Standard General Nominees”). As of the date hereof, Standard General beneficially owns an aggregate of 21,124,314 shares of Common Stock, representing approximately 9.7% of the shares of Common Stock, as reported to be outstanding by the Company as of January 31, 2020, in its capacity as the investment manager to various private investment vehicles, including Standard General Master Fund L.P., which is the record owner of 100 shares; Soohyung Kim, our founding partner and one of our nominees, may be deemed to indirectly beneficially own the shares of Common Stock beneficially owned by Standard General. As more fully discussed in this Proxy Statement, we are soliciting proxies to be used at the Annual Meeting for the election of each of the Standard General Nominees and the following nominees of the Company [] (the “Select Company Nominees”) as directors of the Company.

THIS SOLICITATION IS BEING MADE BY THE STANDARD GENERAL PARTIES, AND NOT ON BEHALF OF THE BOARD OF DIRECTORS OF THE COMPANY.

We are seeking to change a significant minority of the Company's Board of Directors (the “Board of Directors” or the “Board”). In 2019, we made a substantial investment in the Company, becoming one of TEGNA's largest shareholders. We invested in TEGNA because of our conviction that TEGNA should be the premier pure play local affiliate broadcasting company. TEGNA has a leading portfolio of local affiliate television broadcasting stations and is the largest owner of Big 4 affiliates in the top 30 markets. Given the quality of its assets, TEGNA should be delivering best-in-class performance, and commensurate shareholder returns.

TEGNA shares, however, have underperformed TEGNA's closest pure-play local affiliate broadcasting peers as well as the broader market. From the time TEGNA became a pure-play broadcaster (spin from Gannett in June 2015) until Standard General disclosed its ownership stake on August 14, 2019, TEGNA's total shareholder return was -28% vs. +33% for its peer group – this represents underperformance of 60%.

Standard General has an excellent track record of assisting similarly situated local television broadcasting companies achieve good results for shareholders. Media General, Inc. (NYSE:MEG) was a publicly-traded broadcaster which, like TEGNA, had a long tradition in print media, but had divested those assets to pursue a pure-play broadcasting strategy. From our position as a substantial shareholder, and with a single Standard General principal on the board, we worked constructively with the management team and directors to help guide the company through a merger with publicly-traded LIN Media LLC (NYSE:LIN) that more than doubled Media General's station portfolio. Following that merger, we helped oversee substantial increases in cash flow through a series of operational improvement initiatives and strategic acquisitions before ultimately selling the combined company to Nexstar Media Group (NASDAQ: NXST) in a cash and stock transaction valued at approximately \$5 billion. The sale price represented a multiple of 11.2x EBITDA and an implied return of 179% during our 3.6 years of ownership.

Given Standard General's substantial investment in TEGNA--we own approximately 20 times as many shares as the current Board and management combined-- our expertise in the broadcasting industry, and our focus on driving value for all TEGNA shareholders, we strongly believe that TEGNA shareholders would benefit from having Standard General's nominees on the TEGNA Board. We engaged the Company in an effort to reach a consensual solution, and are disappointed that members of management and the TEGNA Board refused our initial and reasonable request to add our principal, Soo Kim, to the Board. In our view, this refusal reflects a continuing pattern of passivity by the TEGNA Board in the face of persistent operational and shareholder returns underperformance, a questionable M&A strategy accompanied by inconsistent disclosures regarding financial metrics and multiples paid, excessive leverage and the rebuff of an acquisition proposal at a premium valuation from a credible buyer. As a result, we were compelled to nominate candidates for election to the TEGNA Board. After brief and perfunctory interviews with two of our five nominees, TEGNA declined to add any of our highly qualified nominees to its Board.

During March 2020, it has been widely reported that TEGNA has received multiple acquisition proposals, including a cash and stock proposal from Gray Television, Inc. (which has since reportedly been withdrawn), and three all cash proposals -- from an affiliate of Apollo Global Management, Inc., from Allen Media, LLC and a joint proposal from The Najafi Companies and Trinity Broadcasting Network. TEGNA has made no public statement regarding these proposals or any process being undertaken by TEGNA in response to these proposals, but media reports suggest TEGNA may be engaging in discussions with potential acquirers. We expect the TEGNA Board to conduct a full and fair evaluation of all available alternatives to maximize value, and we will continue to monitor this situation very closely.

We believe that the addition of our five highly qualified, diverse and independent nominees to the TEGNA Board is a critical step to ensure that TEGNA is on the right path to maximize value for all shareholders. Unlike the current Board, which does not have a single independent director with operational experience in local affiliate television broadcasting, our nominees have significant operating experience in the local affiliate television broadcasting industry and backgrounds spanning strategic planning, finance, M&A, and technology. Collectively, they have decades of experience as CEOs, CFOs, COOs, and directors of publicly traded broadcasting companies. Our nominees are committed to rigorous oversight of TEGNA's management, operations and business strategy, and to ensuring that TEGNA conducts a full and fair evaluation of its strategic alternatives. There can be no assurance that the business combination proposals received by TEGNA will result in a transaction and our highly qualified nominees are committed to taking all actions necessary to maximize value for TEGNA shareholders. Importantly, with the addition of our nominees, TEGNA's Board would also much better reflect the diversity of its audience.

We are seeking to change a significant minority of the Board. We are seeking your support to elect not only the Standard General Nominees but also the Select Company Nominees. This will enable TEGNA's shareholders to vote on the **WHITE** proxy card for candidates to fill each of the twelve seats up for election at the 2020 Annual Meeting. More information about our candidates is contained in the enclosed proxy statement. The names, background and qualifications of the Select Company Nominees, and other information about them, can be found in the Company's proxy statement. There is no assurance that any of the Company's nominees will serve as directors if the Standard General Nominees are elected.

This Proxy Statement is first being sent or given to shareholders on or about ●, 2020. If your shares are held in your own name, please authorize a proxy to vote by signing and returning the enclosed **WHITE** proxy card in the postage-paid envelope provided or by instructing us by telephone or via the Internet as to how you would like your shares of Common Stock voted (instructions are on your **WHITE** proxy card).

If your shares are held in the name of a brokerage firm, bank or other custodian, only that firm can vote such shares and, with respect to the election of directors, only upon receipt of your specific instruction. Accordingly, we urge you to contact the person responsible for your account and instruct that person to execute the **WHITE** proxy card on your behalf. Please follow any voting instructions provided by your bank, brokerage firm, dealer, trust company or other nominee.

Thank you for your support,

Sincerely,
Soohyung Kim

BACKGROUND OF THE SOLICITATION

Standard General L.P. is a New York City-based SEC-registered investment advisor that manages event-driven opportunity funds. Standard General was founded in 2007. Its principal business is to manage capital for public and private pension funds, endowments, foundations, and high net-worth individuals. Standard General was founded by Soohyung Kim, who is currently our Chief Executive Officer, Managing Partner and Chief Investment Officer.

On August 14, 2019, Standard General filed a Schedule 13G disclosing a 9.2% economic interest in the Company. On that date, TEGNA's common stock closed at \$13.25.

On August 20, 2019, Mr. Kim attended an investors meeting with approximately half a dozen investors hosted by the Company's Chief Financial Officer and Head of Investor Relations (and sponsored by a broker) at the Company's office in New York. The Company responded to a question by another attendee about Standard General and said that because Standard General had made a Schedule 13G filing with respect to the Company, the Company did not expect to hear directly from Standard General. At this meeting, which occurred during trading hours, in response to a question by a participant, the Chief Financial Officer of the Company indicated that Apollo Global Management, LLC ("Apollo") had not made an offer to acquire the Company. The following day, the Company filed a Form 8-K stating that, in fact, Apollo had made an offer to acquire the Company, but claimed that Apollo had not specified a price. As discussed below, the Company later stated on January 21, 2020 that Apollo had made an offer at a premium.

On September 26, 2019, the Company's Chief Executive Officer, David Lougee, called Mr. Kim. During their telephonic discussion, Mr. Kim relayed to Mr. Lougee that in response to the Company's treatment of Schedule 13G filers as communicated in the August 20, 2019 investors meeting, Standard General would likely amend its filing status and file a Schedule 13D in place of its existing Schedule 13G.

On September 30, 2019, Standard General filed a Schedule 13D disclosing an approximately 9.8% economic interest in the Company. In the Schedule 13D, Standard General stated that subsequent to its Schedule 13G filing, it had observed news articles, disclosures by the Company and third-party research reports regarding possible M&A activity relating to the Company. Standard General noted that it had experience as a significant shareholder and its principals had substantial experience as directors of publicly listed television broadcasting companies and a successful track-record of overseeing acquisitions, mergers, and sales processes of publicly listed television broadcasting companies. Standard General disclosed that it intended to become actively engaged with the Company, including speaking with management, the Board, other shareholders, and third parties to gather information and share Standard General's views on the Company's strategic alternatives, including the previously disclosed offer for the Company as well any other proposals that may be made to the Company. On that date, TEGNA's common stock closed at \$15.53.

On October 10, 2019, Mr. Lougee, along with the Company's Chief Financial Officer, Victoria Harker, and General Counsel, Akin Harrison, met with Mr. Kim at Standard General's office to discuss Mr. Kim's perspectives on the Company. During this meeting Mr. Kim expressed concern about the Company's significant \$1.5 billion in acquisitions during 2019 and the resulting substantial increase in the Company's leverage. Mr. Kim suggested that the Company should also consider strategic transactions involving the Company as the current market trends favored such transactions. Given Standard General's substantial shareholding in the Company and Mr. Kim's experience in mergers and acquisitions in the broadcasting industry, Mr. Kim offered to help the Company in its pursuit of these efforts. Mr. Lougee pressed Mr. Kim for more specific information on the strategic transactions he had in mind for the Company. Mr. Kim explained that the Company would benefit from exploring its options, in general, for strategic transactions, rather than pursuing any predetermined, specific transactions at this preliminary stage.

On November 4, 2019, the Chairman of the Board, Howard Elias, made a follow-up call to Mr. Kim and, similar to the discussion on October 10, 2019, the parties discussed Mr. Kim's views on exploring strategic transactions for the Company. Mr. Kim reiterated his view of the importance of the Company's exploring various strategic alternatives. Mr. Kim suggested that he believed that his experience in strategic transactions in the broadcasting industry would serve the Company well and on this basis, asked for representation on the Board.

On November 26, 2019, Mr. Elias informed Mr. Kim that he would forward Mr. Kim's request for Board representation to the head of the Company's Nominating and Governance Committee, Neal Shapiro.

On December 19, 2019, Mr. Kim met with Mr. Shapiro and several other directors including Susan Ness, Gina Bianchini (telephonically), Henry McGee and Stuart Epstein at the offices of TEGNA's legal counsel. At this meeting Mr. Kim and the TEGNA directors discussed Standard General's request for representation on the Board. Mr. Kim focused on the acquisitions made by TEGNA during 2019 and questioned the significant adjustments, including open "run-rate" synergies, reflected in the acquisition multiples TEGNA has disclosed for its transactions. Mr. Kim stated that these were potentially misleading as TEGNA had not specified the period required to obtain the "run-rate" synergies and had failed to quantify or provide the source of the supposed synergies. The TEGNA directors also expressed concerns that appointing Mr. Kim to the Board could present a conflict of interest with Standard General's other investments. Mr. Kim and Standard General assured the Board that no conflicts existed, explaining that Standard General's only investment that could possibly be considered to be in conflict was in a woman- and minority-owned broadcasting start-up with approximately \$10 million of annual cash flow and no market overlap with the Company's TV stations. Following the meeting, a representative of Standard General's legal counsel called the Company's legal counsel to communicate that, to eliminate any concern with respect to purported conflicts, if Mr. Kim were seated on the Board, Mr. Kim and Standard General would commit not to make any new investment in TV stations without first offering the opportunity to the Company.

On December 19, 2019, following the meeting, Mr. Kim provided references as requested by the TEGNA directors. Mr. Kim provided an additional reference to TEGNA on December 23, 2019.

Following this meeting, Standard General did not hear back from the Company for two weeks. On January 2, 2020, Standard General sent a follow-up e-mail to the Company to determine if the Board had made a decision regarding Standard General's request for Board representation. The Company failed to respond.

On January 3, 2020, a representative of Standard General's legal counsel sent an email to TEGNA's legal counsel requesting the forms of TEGNA's Director Nominee Questionnaire and Nominee Representation and Agreement required to be submitted in connection with shareholder nominations of candidates for election to the Board. TEGNA's legal counsel failed to respond. Standard General's legal counsel sent a further follow-up email on January 7, 2020. Later the same day, TEGNA's legal counsel communicated that the Company would get the requested materials to Standard General the following day, claiming that the Company was "tied up" with a debt offering. On January 8, 2020, Standard General's legal counsel sent another following up email to TEGNA's legal counsel, noting that TEGNA's Bylaws require the requested documents to be provided "upon request" and that Standard General's legal counsel had requested the documents five days previously. Standard General's legal counsel expressed concern that the delay in sending the requested documents reflected a plan to obstruct Standard General's flexibility and rights to nominate director candidates. Later that day, TEGNA's legal counsel finally forwarded TEGNA's form of Director Nominee Questionnaire and Nominee Representation and Agreement to Standard General's legal counsel. The questionnaire consisted of 22 pages of information requests.

On January 10, 2020, Mr. Elias called Mr. Kim and informed him that the Board had determined not to offer a Board seat to Mr. Kim. On the same date, a representative of TEGNA's legal counsel reached out to Standard General's legal counsel to explore whether there was a "potential off ramp" involving changes to the Board that would not include offering a Board seat to Mr. Kim. The representative of Standard General's legal counsel advised TEGNA's legal counsel that Standard General had no interest in such a proposal.

On January 15, 2020, Standard General delivered a notice to the Company indicating Standard General's intention to nominate Soohyung Kim, Colleen B. Brown, Ellen McClain Haime and Deborah McDermott (collectively, the "Initial Standard General Nominees") for election to the Board at the 2020 Annual Meeting. On the same date, Standard General also filed an Amendment to its Schedule 13D disclosing a 9.7% economic interest in the Company. In the Schedule 13D, Standard General noted that it expected to engage in discussions with the Company and other relevant parties regarding the nomination of its highly-qualified candidates at the 2020 Annual Meeting of shareholders of the Company and intended to file a preliminary proxy statement to solicit votes in connection therewith.

Also, on January 15, 2020, Standard General issued a press release and delivered an open letter to the shareholders of the Company informing them of its nomination of the Initial Standard General Nominees and providing them with the biographies of its nominees. Standard General noted in this letter that its nominees have significant operating experience in the television broadcasting industry and backgrounds spanning strategic planning, finance, M&A, and technology and, collectively, have decades of experience as CEOs, CFOs, COOs, and directors of publicly traded broadcasting companies. Standard General stated that its nominees are committed to rigorous oversight of the Company's management, operations and business strategy and that, with the addition of its nominees, the Board would much better reflect the diversity of its audience. On that date, TEGNA's common stock closed at \$17.86.

Also on January 15, 2020, the Company issued a press release stating that it did not believe Mr. Kim should be added to the Board.

On January 16, 2020, Standard General issued a press release and open letter to TEGNA shareholders in which it highlighted TEGNA's long-term track record of underperformance, its almost \$2 billion investment in acquisitions over the past two years and excessive leverage. Standard General noted that its investment in TEGNA represented approximately 20 times that of the current Board and management combined and affirmed its offer to help drive value creation through stock price improvement for all shareholders.

On January 21, 2020, the Company issued a press release and letter to shareholders. The Company revealed that, in February 2019, "Apollo expressed interest in acquiring TEGNA *at a premium* without specifying a price" (emphasis added), whereas in its prior communication (i.e., the August 21, 2019 press release) the Company had stated that "Apollo was interested in acquiring TEGNA **without specifying a price.**"

On January 24, 2020 media reports indicated that another significant TEGNA shareholder urged the Company to consider a sale or merger.

On January 31, 2020, members of the Company's Nominating and Governance Committee interviewed one of the Standard General Nominees, Ms. Haime. On February 5, 2020, members of the Nominating and Governance Committee interviewed another Standard General Nominee, Ms. Brown. In the course of these two short interviews, the members of TEGNA's Corporate Governance Committee (which does not include a single individual with operational expertise in local affiliate TV broadcasting) did not ask a single question about either shareholder value creation or shareholder engagement. Indeed, in those interviews, the TEGNA directors appeared to have little understanding of -- or interest in -- a Board's role in creating shareholder value and directly engaging with investors. On February 11, 2020, TEGNA reported fourth quarter and 2019 full year results. TEGNA's common stock dropped roughly 6% that day to close at \$16.22 —on a day when the market and TEGNA's peers were both up. On its earnings call, TEGNA management said it was "aggressively" refocusing on M&A opportunities. TEGNA also disclosed that it had spent more than \$6 million in Q4 2019 on proxy contest defense costs. The following day, February 12, 2020, a representative of TEGNA's legal counsel reached out to Standard General's legal counsel for the purpose of seeking to explore a settlement - with the pre-condition for discussions that the Company would not add Mr. Kim to its Board. Because Standard General had no interest in engaging in discussions under this pre-condition, the proposal was rejected.

On February 19, 2020, the Company expanded the size of its Board from eleven to twelve directors and publicly announced the appointment of a new independent director, Karen Grimes, to the Board, effective immediately.

On February 20, 2020, Standard General issued a public letter to the Company's shareholders, noting the precipitous decline in the Company's stock price following its earnings announcement. Among other things, Standard General urged TEGNA's Board not to authorize any further M&A activity until after the upcoming Annual Meeting, when shareholders would have the opportunity to elect new directors with local affiliate television broadcasting experience who would be part of the process of evaluating potential M&A transactions. In addition, Standard General noted that, since investors became aware of Apollo's interest in acquiring TEGNA, its Board had proceeded to authorize the issuance of more than \$2 billion of debt with onerous "no-call" features that have the likely effect of making a future TEGNA strategic transaction significantly more expensive. Standard General indicated that it would expect that no further debt issuances of this type be made until after shareholders have a chance to elect experienced directors at the 2020 Annual Meeting.

On February 28, 2020, following the Company's expansion of its Board and in accordance with the Company's Bylaws, Standard General delivered to the Company a supplemental notice of nomination nominating an additional director, Lawrence Wert, for election to the Board at the 2020 Annual Meeting. Like the Initial Standard General Nominees, Mr. Wert had substantial experience in the local television broadcasting industry. On that date, TEGNA's common stock closed at \$14.25.

On March 3, 2020, TEGNA sent a letter to Standard General which purported to seek information regarding Standard General's relationship with Standard Media Group LLC ("Standard Media") and the exemption relied on by Standard General for not filing a premerger notification under the Hart-Scott-Rodino Act of 1976, as amended (the "HSR Act"). While TEGNA claimed that information related to Standard General's investment in Standard Media was "necessary to better evaluate compliance with certain provisions of the Company's by-laws", the letter was sent more than a month and half after Standard General submitted its initial nomination notice.

On March 5 and 6, 2020, published media reports indicated that TEGNA was engaged in discussions with Gray Television regarding a potential cash and stock combination of TEGNA with Gray and that Apollo had made another offer to TEGNA to acquire the Company for \$20 per share in cash. On March 6, 2020, Standard General issued a press release, calling on TEGNA's Board, with the assistance of independent advisors, to run a full and fair process to explore all alternatives to maximize value for all shareholders. Standard General noted that the publicly reported proposals involved both cash and stock and all cash offers, and that it was essential that the TEGNA Board carefully evaluate the benefits and risks of all available alternatives. Standard General stated that it stood ready to work with TEGNA to help thoughtfully evaluate these proposals.

On March 11, 2020, members of the Company's Nominating and Governance Committee interviewed Standard General Nominee, Mr. Wert.

Also on March 11, 2020, Allen Media, LLC announced a \$20 per share all cash offer for TEGNA.

On March 13, 2020, Standard General responded to TEGNA's March 3, 2020 letter, providing certain additional information regarding its relationship with Standard Media. In its letter, Standard General stated that it was under no obligation to provide additional information and noted that, if the requested information was, in fact, important to TEGNA's Board, the Board should have requested it before -- not close two months after -- rejecting Mr. Kim's director candidacy on the basis of supposed conflicts related to Standard Media. Standard General also noted that under applicable law no filing under the HSR Act was required in connection with the acquisition of shares by Standard General or its private investment vehicles.

On March 17, 2020, The Najafi Companies and Trinity Broadcasting Network announced the delivery of an offer to TEGNA to jointly acquire TEGNA for \$20 per share in cash.

On March 18, 2020, published media reports indicated that Gray had withdrawn its offer for TEGNA.

On March 18, 2020, Standard General filed a Schedule 13D Amendment No. 2 disclosing an approximately 9.7% economic interest in the Company. The Schedule 13D amendment disclosed that on March 16, 2020, Standard General, acting on behalf of the private investment vehicles for which it serves as investment manager, executed the physical settlement of the swaps with respect to 2,015,362 shares of Common Stock previously entered into with unaffiliated third-party financial institutions. On that date, TEGNA's common stock closed at \$13.73.

On March 20, 2020, Standard General issued a press release on the multiple media reports concerning potential acquisition offers for the Company. The press release noted that despite numerous reports of interest from credible third parties in an acquisition of TEGNA, TEGNA had, to date, made no public statement regarding these proposals. The press release further stated that Standard General expected the TEGNA Board, consistent with its fiduciary responsibility to maximize the value of shareholders' investment, to pursue these offers vigorously and to give interested parties access to due diligence to enable those parties the opportunity to develop their offers for the Company. Standard General urged TEGNA to be open to creative structures and financing solutions that would maximize value and certainty for all shareholders and offered to work with TEGNA to help thoughtfully evaluate all alternatives. On March 20, 2020, TEGNA's common stock closed at \$12.84.

To date, TEGNA has made no public statement with respect to the various acquisition proposals received by TEGNA or as to any process being undertaken by the TEGNA Board in response to those proposals.

As of the date of this filing, TEGNA's common stock closed at \$12.82 per share.

REASONS FOR OUR SOLICITATION

We are seeking to change a significant minority of TEGNA's Board.

In 2019, we made a substantial investment in the Company, becoming one of TEGNA's largest shareholders. We invested in TEGNA because of our conviction that TEGNA should be the premier pure play local affiliate broadcasting company. TEGNA is the most important local affiliate television broadcasting company not currently at the regulatory ownership cap and is the largest owner of Big 4 network affiliates in top 30 markets. Given the quality of its assets, TEGNA should be delivering best-in-class performance, and commensurate shareholder returns. TEGNA shares, however, have consistently underperformed its closest pure-play local affiliate broadcasting peers.

Standard General has an excellent track record of assisting similarly situated local television broadcasting companies achieve good outcomes for shareholders. Media General, Inc. (NYSE:MEG) was a publicly-traded broadcaster which, like TEGNA, had a long tradition in print media, but had divested those assets to pursue a pure-play broadcasting strategy. From our position as a substantial shareholder, and with a single Standard General principal on the board, we worked constructively with the management team and directors to help guide the company through a merger with publicly-traded LIN Media LLC (NYSE: LIN) that more than doubled its station portfolio. Following that merger, we helped oversee substantial increases in cash flow through a series of operational improvement initiatives and strategic acquisitions before ultimately selling the combined company to Nexstar Media Group (NASDAQ: NXST) in a cash and stock transaction valued at approximately \$5 billion. The sale price represented a multiple of 11.2x EBITDA and an implied return of 179% during our 3.6 years of ownership.

Given Standard General's substantial investment in TEGNA, our expertise in the broadcasting industry, and our focus on driving value for all TEGNA shareholders, we strongly believe that TEGNA shareholders would benefit from having a representative of Standard General on the TEGNA Board. We engaged the Company in an effort to reach a consensual solution, and are disappointed that members of management and the TEGNA Board refused our reasonable request to add our principal, Soo Kim, to the Board. In our view, this refusal reflects a continuing pattern of passivity by the TEGNA Board in the face of persistent operational and shareholder returns underperformance, a questionable M&A strategy, accompanied by inconsistent disclosures regarding financial metrics and multiples paid, excessive leverage and the rebuff of an acquisition proposal at a premium valuation from a credible buyer. As a result, we are compelled to nominate candidates for election to the TEGNA Board. After brief interviews with two of our five nominees, TEGNA declined to add any of our highly qualified nominees to its Board.

Despite the current Board and management's protestations that TEGNA's strategy is working, under the current management and throughout the tenure of at least nine of TEGNA's current directors the Company has significantly underperformed its closest pure play peers. From the time TEGNA became a pure-play broadcaster (spin from Gannett in June 2015) until Standard General disclosed its ownership stake on August 14, 2019, TEGNA's total shareholder return was -28% vs. +33% for its peer group – this represents underperformance of 60%. The Company's acquisition strategy, including almost \$2 billion of purchases over the past two years, has yet to generate any meaningful increase in shareholder value, but just in the past few weeks TEGNA's management has publicly announced its intention to "aggressively" refocus on M&A opportunities. TEGNA's own March 23, 2020 investor presentation presents an array of confusing metrics regarding its acquisition program, using no less than four different measures of EBITDA purporting to illustrate its acquisition track record, but failing to address the fundamental issue that these acquisitions have not demonstrably generated shareholder value. Moreover, in recent months -- after TEGNA had been approached on two occasions by Apollo regarding potential business combination transactions, the Board authorized the issuance of more than \$2 billion of debt with onerous "no-call" features with over \$200 million in potential make-whole payments that have the likely effect of making a future TEGNA strategic transaction significantly more expensive.

In early March, it was widely reported that TEGNA has received multiple acquisition proposals, including a cash and stock proposal from Gray Television, Inc., an all cash proposal from an affiliate of Apollo Global Management, Inc. and an all cash proposal from Allen Media, LLC. In mid-March, The Najafi Companies and Trinity Broadcasting Network announced the delivery of an offer to TEGNA to jointly acquire TEGNA for \$20 per share in cash and published media reports indicated that Gray had withdrawn its offer for TEGNA. TEGNA has made no public statement regarding these proposals or any process being undertaken by TEGNA in response to these proposals, but media reports suggest that TEGNA may be engaged in discussions with potential acquirors. We expect the TEGNA Board to conduct a full and fair evaluation of all available alternatives to maximize value, and will continue to monitor this situation very closely.

We believe that the addition of our five highly qualified, diverse and independent nominees to the TEGNA Board is a critical step to ensure that TEGNA is on the right path to maximize value for all shareholders. Unlike the current Board, which does not have a single independent director with operational experience in local affiliate television broadcasting, our nominees have significant operating experience in the local affiliate television broadcasting industry and backgrounds spanning strategic planning, finance, M&A, and technology. Collectively, they have decades of experience as CEOs, CFOs, COOs, and directors of publicly-traded broadcasting companies.

Our nominees are:

Soohyung Kim, the Founding Partner of Standard General, and the firm's Chief Executive Officer and Chief Investment Officer. Mr. Kim led Standard General's substantial investment in Media General and served as director, working constructively with the management team and directors to help guide the company through a merger with LIN Media that more than doubled its station portfolio and, thereafter, helped oversee substantial increases in cash flow through a series of operational improvement initiatives and strategic acquisitions before ultimately selling the combined company to Nexstar Media Group in a cash and stock transaction valued at approximately \$5 billion, representing a multiple of 11.2x EBITDA and an implied return of 179% during Standard General's 3.6 years of ownership;

Colleen Brown, a highly experienced local affiliate television broadcasting executive who, among other things, served as President and Chief Executive Officer of Fisher Communications, Inc. from 2005 to 2013 and as a director from 2006 to 2013, culminating in the sale of the company to Sinclair Broadcast Inc.;

Ellen McLain Haime, a highly experienced finance executive who, among other things, previously served as Vice President, Finance of Hearst-Argyle Television, Inc., a publicly-traded owner/operator of 29 television stations;

Deborah McDermott, a highly experienced local affiliate television broadcasting executive who, among other things, guided Young Broadcasting through a series of successful mergers, including transformative transactions with Media General and Lin Media, and finally the sale to Nexstar Media Group; and

Lawrence Wert, a highly experienced local affiliate television broadcasting executive who, among other things, was President, Broadcast Media, of Tribune Media Company from February 2013 until the closing of Tribune's acquisition by Nexstar Media Group in September 2019.

Our nominees are committed to rigorous oversight of TEGNA's management, operations and business strategy, and to ensuring that TEGNA conducts a full and fair evaluation of its strategic alternatives. There can be no assurance that the acquisition proposals received by TEGNA will result in a transaction and our highly qualified nominees are committed to taking all actions necessary to maximize value for TEGNA shareholders. Importantly, with the addition of our nominees, TEGNA's Board would also much better reflect the diversity of its audience.

If elected to the TEGNA Board, the Standard General Nominees intend to focus on the following critical areas:

1. Inform themselves regarding the various acquisition proposals made to TEGNA, TEGNA's responses to those proposals, alternatives to maximize value for all TEGNA shareholders and the potential need for independent advisors with expertise in television station M&A to assist the TEGNA Board with its strategic review process.
2. Conduct a detailed review of the business, operations and financial performance of TEGNA, including an operational review to benchmark TEGNA's operations against best practices for local affiliate television broadcasting companies, potentially with the assistance of an outside consultant.
3. Carefully evaluate TEGNA's current management team, executive compensation practices and corporate governance.

See the section titled "Matters to be Considered at the Annual Meeting — Biographical Information Regarding the Standard General Nominees" for a description of our nominees' qualifications.

The Standard General Nominees recognize fully that as members of the Board they will owe fiduciary duties to all TEGNA shareholders and are committed to maximizing value for all TEGNA shareholders.

WE STRONGLY RECOMMEND A VOTE FOR THE ELECTION OF THE STANDARD GENERAL NOMINEES.

MATTERS TO BE CONSIDERED AT THE ANNUAL MEETING

Election of Directors

The Company's Board of Directors currently consists of twelve directors. Directors hold office until the Company's next annual meeting following their election or until their successors are elected and qualified, unless prior to that time they have resigned, retired or otherwise left office. At the Annual Meeting, twelve directors are to be elected to the Board of Directors. On January 15, 2020, we gave notice to the Company of our intention to nominate the following Standard General Nominees to serve as directors of the Company: Colleen B. Brown, Ellen McClain Haime, Soohyung Kim and Deborah McDermott. Following the public announcement by the Company on February 19, 2020 of an increase in the size of its Board from eleven to twelve directors by the appointment of an additional director, Karen Grimes, we gave a supplemental notice on February 28, 2020 to the Company of our intention to nominate an additional nominee, Lawrence Wert, for election to the Board at the Annual Meeting. We are seeking your proxy to vote for the election to the Board of Directors of our five diverse, highly qualified and independent nominees— Soohyung Kim, Colleen B. Brown, Ellen McClain Haime, Deborah McDermott and Lawrence Wert, in addition to the following individuals nominated by the Company: [___]. This gives shareholders the ability to vote for candidates to fill each of the twelve seats up for election at the 2020 Annual Meeting. We note that, pursuant to the listing standards of the New York Stock Exchange ("NYSE"), a director is not deemed to be independent unless the Board first determines that such director is independent. However, Standard General believes that each of its nominees satisfies the independence requirements of the NYSE and TEGNA's Bylaws.

Each of the Standard General Nominees has consented to being named as a nominee in this Proxy Statement and has confirmed his or her willingness to serve on the Board of Directors if elected. The Standard General Parties do not expect that any of the Standard General Nominees will be unable to stand for election, but in the event that a vacancy in the slate of Standard General Nominees should occur unexpectedly because any Standard General Nominee is unable to serve on the Board of Directors or for good cause will not serve on the Board of Directors, the shares of Common Stock represented by the **WHITE** proxy card will be voted for a substitute candidate selected by the Standard General Parties, to the extent this is not prohibited under the Company's Bylaws and applicable law, in each case in light of the specific facts and circumstances surrounding such substitution. Should the Standard General Parties determine that it is necessary to add nominees in accordance with the Bylaws and applicable law, whether because the Company expands the size of the Board of Directors subsequent to the date of this Proxy Statement or for any other reason, the Standard General Parties will supplement this Proxy Statement.

Directors will be elected by the vote of a plurality of the shares represented in person or by proxy at the Annual Meeting and entitled to vote on the election of Directors, meaning that the twelve nominees receiving the most votes will be elected. Abstentions and broker non-votes, if any, will have no effect on the result of this vote.

Other matters to be considered at the annual meeting

According to the preliminary proxy statement filed by the Company on March 25, 2020 (the “TEGNA preliminary proxy statement”), the following additional matters will be considered at the Annual Meeting:

- to consider and act upon a Company proposal to ratify the appointment of PricewaterhouseCoopers LLP (“PwC”) as the Company’s independent registered public accounting firm for the 2020 fiscal year;
- to consider and act upon a Company proposal to approve, on an advisory basis, the compensation of its named executive officers;
- to consider and act upon a Company proposal to approve the TEGNA Inc. 2020 Omnibus Incentive Compensation Plan; and
- to transact such other business, if any, as may properly come before the Annual Meeting or any adjournment or postponement of the meeting.

Based on information contained in the TEGNA preliminary proxy statement, the Company’s By-laws do not require that the shareholders ratify the appointment of PwC as the Company’s independent registered public accounting firm, but the Company is seeking ratification because it believes it is a good corporate governance practice. If the shareholders do not ratify the appointment, the TEGNA preliminary proxy statement indicates that the Company’s audit committee will reconsider whether to retain PwC, but in its discretion may choose to retain PwC as the Company’s independent registered public accounting firm. Even if the appointment is ratified, the Audit Committee in its discretion may change the appointment at any time during the year if it determines that a change would be in the best interests of the Company and its shareholders. Standard General recommends that you vote “FOR” this proposal by checking the appropriate box and signing, dating and returning the enclosed **WHITE** proxy card.

Based on information contained in the TEGNA preliminary proxy statement, at the Annual Meeting shareholders will be asked to vote, on an advisory basis, whether to approve the compensation of the Company’s named executive officers. Information on this matter is included in the TEGNA preliminary proxy statement. According to the TEGNA preliminary proxy statement, the approval of this matter on an advisory basis requires the affirmative vote of a majority of the votes cast. Abstentions and broker non-votes will not be counted as votes cast on this proposal. As set forth above in the section titled “Reasons for Our Solicitation” we believe the Company has performed poorly and we recommend voting “AGAINST” the advisory vote to approve the compensation of the Company’s named executive officers.

Based on information contained in the TEGNA preliminary proxy statement, at the Annual Meeting shareholders will be asked to approve the TEGNA 2020 Omnibus Incentive Compensation Plan. Information on this matter is included in the TEGNA preliminary proxy statement. According to the TEGNA preliminary proxy statement, the approval of this proposal requires the affirmative vote of a majority of the votes that could be cast by the shareholders present in person or represented by proxy and entitled to vote at the Annual Meeting. As set forth above in the section titled “Reasons for Our Solicitation” we believe the Company has performed poorly and we recommend voting “AGAINST” the proposal to approve the TEGNA 2020 Omnibus Incentive Compensation Plan.

The accompanying **WHITE** proxy card includes the proposal ratifying the appointment of PwC as the Company's independent registered public accounting firm for fiscal 2020, the proposal regarding the approval on an advisory basis, of the compensation of the Company's named executive officers, and the proposal regarding the approval of the TEGNA 2020 Omnibus Incentive Compensation Plan. You may vote for or against, or you may abstain from voting on, these proposals, and the accompanying **WHITE** proxy card will be voted on these proposals in accordance with your instructions thereon. If you do not indicate any voting instruction, you will be deemed to have given a direction to vote the shares represented by the **WHITE** proxy card with "FOR" the ratification of the appointment of the Company's independent registered public accounting firm, "AGAINST" the approval, on an advisory basis, of the compensation of the Company's named executive officers, and "AGAINST" the approval of the TEGNA 2020 Omnibus Incentive Compensation Plan.

Except as set forth in this Proxy Statement, we are not aware of any other matter to be considered at the Annual Meeting. However, if we learn of any other proposals made at a reasonable time before the Annual Meeting, we will either supplement this Proxy Statement and provide stockholders with an opportunity to vote by proxy directly on such matters or will not exercise discretionary authority with respect thereto. If other proposals are made thereafter, the persons named as proxies on the **WHITE** proxy card will vote such proxies in their discretion.

The participants in this solicitation intend to vote their shares of Common Stock "FOR" the election of the Standard General Nominees, "FOR" the ratification of the appointment of PricewaterhouseCoopers LLP as the Company's independent registered public accounting firm for fiscal 2020, "AGAINST" the advisory resolution to approve executive compensation, and "AGAINST" the approval of the TEGNA 2020 Omnibus Incentive Compensation Plan.

The Company has fixed March 20, 2020 as the record date for determining shareholders who will be entitled to vote at the Annual Meeting (the "Record Date"). Shareholders of record at the close of business on the Record Date will be entitled to vote at the Annual Meeting.

Vote by Mail — If you do not have access to a touch-tone telephone or to the Internet or wish to vote by mail, please sign, date and return the proxy card in the envelope provided, or mail to: Standard General L.P., c/o Okapi Partners, 1212 Avenue of the Americas, 24th Floor, New York, New York 10036.

The telephone and Internet voting procedures use a control number that appears on your **WHITE** proxy card to authenticate you as a shareholder of record and to allow you to confirm that your voting instructions have been correctly recorded. If you vote by telephone or Internet, you do not need to return the **WHITE** proxy card.

How do I vote shares that I hold through a broker, bank or other custodian?

If you hold shares through someone else, such as a broker, bank or other custodian, you will receive voting material from that firm. You can complete the **WHITE** voting form and return it as requested by the firm. If the firm offers Internet or telephone voting, the voting form will contain instructions on how to access and utilize those voting methods. If you hold your shares in a stock brokerage account or by a bank or other custodian, you will not be able to vote in person at the Annual Meeting unless you have previously requested and obtained a “legal proxy” from your broker, bank or other custodian and present it at the Annual Meeting.

What if I plan to attend the Annual Meeting, should I still submit a **WHITE proxy card?**

Yes. Whether or not you plan to attend the Annual Meeting, we urge you to submit a **WHITE** proxy card. Returning the enclosed proxy card will not affect your right to attend and vote at the Annual Meeting.

What if I want to revoke my proxy?

Any proxy may be revoked as to all matters covered thereby at any time prior to the time a vote is taken by (i) submitting a duly executed proxy bearing a later date or submitting a later proxy using the telephone or Internet voting procedures described above, (ii) filing a later-dated written revocation with the Secretary of the Company, or (iii) attending and voting at the Annual Meeting in person. Attendance at the Annual Meeting will not in and of itself constitute a revocation. If you hold your shares in a brokerage account or by a bank or other custodian, unless you have obtained a “legal proxy” from your bank, broker or other custodian, you will need to follow the instructions provided by your bank, broker or other custodian to revoke your voting form or submit a new voting form.

What should I do if I receive a proxy card solicited by the Company?

If you submit a proxy to us by signing and returning the enclosed **WHITE** proxy card, do not sign or return the proxy card solicited by the Company or follow any voting instructions provided by the Company unless you intend to change your vote, because only your latest-dated proxy will be counted.

If you have already sent a proxy card to the Company, or voted for its nominees through telephone or Internet voting procedures, you may revoke that vote and provide your support to the Standard General Nominees by signing, dating and returning the enclosed **WHITE** proxy card or by following the instructions to vote by telephone or Internet described above.

Who can vote?

Holders of Common Stock as of the close of business on the Record Date will be entitled to vote at the Annual Meeting. If you are a shareholder of record on the Record Date, you will retain the voting rights in connection with the Annual Meeting even if you sell such shares after the Record Date. Accordingly, it is important that you vote the shares of Common Stock held by you on the Record Date, or grant a proxy to vote such shares on the **WHITE** proxy card, even if you sell such shares after such date.

What is the required quorum?

The holders of record of a majority of the shares of the Common Stock of the Company issued and outstanding and entitled to vote, present in person or represented by proxy, shall constitute a quorum for the Annual Meeting.

What vote is required for the proposals at the Annual Meeting?

Each share of Common Stock outstanding on the Record Date is entitled to one vote on each of the director nominees and one vote on each other matter. The director nominees will be elected by the vote of a plurality of the votes cast at the Annual Meeting. The “plurality of votes cast” means that the twelve director nominees receiving the greatest number of “FOR” votes cast will be elected. Ratification of the selection of the Company’s independent registered public accounting firm, the non-binding advisory vote to adopt the resolution to approve the Company’s executive compensation program and the approval of the Company’s 2020 Omnibus Incentive Compensation Plan each require the affirmative vote of the majority of the shares of Common Stock present or represented by proxy and entitled to vote at the meeting. Abstentions, if any, will have no effect on the election of any director, but will have the same effect as votes “against” each of the other three proposals.

IF YOU WISH TO VOTE FOR THE ELECTION OF THE STANDARD GENERAL NOMINEES AND THE SELECT COMPANY NOMINEES TO THE BOARD, PLEASE SIGN, DATE AND RETURN PROMPTLY THE ENCLOSED WHITE PROXY CARD IN THE POSTAGE-PAID ENVELOPE PROVIDED OR FOLLOW THE INSTRUCTIONS ON YOUR WHITE PROXY CARD TO VOTE BY TELEPHONE OR VIA THE INTERNET.

If you sign and submit your WHITE proxy card without specifying how you would like your shares voted, your shares will be voted “FOR” the election of the Standard General Nominees and you will be deemed to have given a direction to vote the shares represented by the WHITE proxy card “FOR” the Select Company Nominees and “FOR” the Company’s proposal to ratify the appointment of PricewaterhouseCoopers LLP as the Company’s independent registered public accounting firm for fiscal 2020; “AGAINST” the approval, on an advisory basis, of the compensation of the Company’s named executive officers and; “AGAINST” the approval of The TEGNA 2020 Omnibus Incentive Compensation Plan.

² Mr. Kim is the Chief Executive Officer, Managing Partner and Chief Investment Officer of Standard General L.P.; the director and sole shareholder of Standard General S Corp., the general partner of Standard General Holdings L.P., which itself is the general partner of Standard General L.P.; and sole member and Chief Executive Officer of Acme Amalgamated Holdings LLC, the managing member of Standard General Management LLC, which itself is the managing member of Standard General GP LLC, the general partner of various of the investment vehicles, which are managed by Standard General L.P. who has obtained its beneficial ownership of the Common Stock in such capacity. In such capacities, Mr. Kim may be deemed to indirectly beneficially own the shares of Common Stock beneficially owned by Standard General L.P.

Except as set forth in this Proxy Statement, including in the Appendices hereto, to the best knowledge of the Standard General Parties, none of the Standard General Parties, any of the persons participating in this solicitation on behalf of the Standard General Parties, any of the Standard General Nominees nor any associate of any of the foregoing persons (i) has any interest in any matter to be acted upon at the Annual Meeting, (ii) owns beneficially, directly or indirectly, or has the right to acquire, any securities of the Company or any parent or subsidiary of the Company, (iii) owns any securities of the Company of record but not beneficially, (iv) has purchased or sold any securities of the Company within the past two years, (v) is or has been a party to any contract, arrangement or understanding with respect to any securities of the Company within the past year, including, but not limited to joint ventures, loan or option arrangements, puts or calls, guarantees against loss or guarantees of profit, division of losses or profits, or the giving or withholding of proxies, (vi) has any arrangement or understanding with respect to future employment by the Company or with respect to any future transactions to which the Company or any of its affiliates will be or may be a party, (vii) has incurred indebtedness for the purpose of acquiring or holding securities of the Company, (viii) has been indebted to the Company or any of its subsidiaries since the beginning of the Company's last fiscal year, or (ix) has engaged in or had a direct or indirect interest in any transaction, or series of similar transactions, since the beginning of the Company's last fiscal year, or any currently proposed transaction, or series of similar transactions, to which the Company or any of its subsidiaries was or is to be a party, in which the amount involved exceeds \$120,000. In addition, except as set forth in this Proxy Statement or in the Appendices hereto, to the best knowledge of the Standard General Parties, none of the Standard General Parties, any of the persons participating in this solicitation on behalf of the Standard General Parties, any of the Standard General Nominees, nor any associate of any of the foregoing persons has had or is deemed to have a direct or indirect material interest in any transaction with the Company since the beginning of the Company's last fiscal year, or in any proposed transaction, to which the Company or any of its affiliates was or is a party.

Except as set forth in this Proxy Statement, including in the Appendices hereto, none of the corporations or organizations in which any of the Standard General Nominees has conducted his or her principal occupation or employment was a parent, subsidiary or other affiliate of the Company, and none of the Standard General Nominees holds any position or office with the Company, has any family relationship with any executive officer or director of the Company or each other, or has been involved in any legal proceedings of the type required to be disclosed by the rules governing this solicitation. Except as set forth in this Proxy Statement, including in the Appendices hereto, to the knowledge of the Standard General Nominees, there are no material proceedings to which any Standard General Nominee, or any of their associates, is a party adverse to the Company or any of its subsidiaries, or in which any of the Standard General Nominees or any of their associates has a material interest adverse to the Company or any of its subsidiaries.

During the past ten years, none of the Standard General Nominees was involved in any event that would be required to be disclosed under Item 401(f) of Regulation S-K, promulgated by the SEC under the Exchange Act, except that Mr. Kim

was an officer and director of General Wireless Operations Inc. (dba RadioShack), General Wireless Holdings Inc. and General Wireless Inc. (collectively, the “General Wireless Companies”) within two years of their bankruptcy filing. The General Wireless Companies were formed to purchase and operate certain assets of RS Legacy Corporation d/b/a RadioShack Corporation and certain of its affiliates which it acquired through Chapter 11 cases in 2015, which preserved those assets and jobs from liquidation. The assets purchased included an agreement with Sprint Solutions, Inc. to establish co-branded stores for the sale of Sprint mobile devices and General Wireless Companies entered into additional agreements with Sprint. However, the Sprint relationship did not yield the benefits that the General Wireless Companies anticipated, and the General Wireless Companies terminated their relationship with Sprint and filed on March 8, 2017 under Chapter 11 to restructure the company. During the last fiscal year, neither any Standard General Nominee nor a Standard General Party has failed to file reports related to the Company that are required by Section 16(a) of the Exchange Act.

To the best knowledge of the Standard General Parties, the Standard General Parties believe that each of the Standard General Nominees are independent under the applicable New York Stock Exchange corporate governance rules.
