August 5, 2021

TYSONS, Va.--(BUSINESS WIRE)--Aug. 5, 2021-- TEGNA Inc. (NYSE: TGNA) announced today its recognition as one of the 2021 Achievers 50 Most Engaged Workplaces. This annual award recognizes top employers that display leadership and innovation in engaging their workplaces.

"We are proud that the determination and resilience of our engaged employees enabled us to fulfill our mission to support the local communities we serve during the unprecedented challenges of 2020," said Dave Lougee, president and CEO, TEGNA. "Our people are at the heart of everything we do, and it's their great work that drives our success. We believe employees who see positive change are more likely to be engaged, so our deliberate approach to understanding our team's perspectives and acting on what we've heard are key to our purpose-driven culture."

"The COVID-19 pandemic presented a myriad of challenges for businesses and their workforce. But these unprecedented times also offered an opportunity for organizations to support their people. Companies that prioritized employee experience, recognition and employee voice have seen increased productivity, higher employee engagement and stronger loyalty," said Jeff Cates, CEO and president at Achievers. "This year's 50 Most Engaged winners embody what it means to be a 'people-first' business and have proven how the prioritization of employee experience can help an organization withstand even the most difficult of times."

A panel of 15 esteemed judges comprised of employee engagement academics, industry analysts, thought leaders, journalists, and influencers evaluated the applicants. Winners were selected based on Achievers' Eight Elements of Employee Engagement®: Accountability & Performance, Belonging, Equity & Inclusion, Culture Alignment, Manager Empowerment, Professional & Personal Growth, Purpose & Leadership, Recognition & Rewards, and Wellbeing.
