SCHEDULE 13D

Item 1. Security and Issuer

This Schedule 13D relates to Common Stock (“Common Stock”) of Tegna, Inc., a Delaware corporation (the “Issuer” or the “Company”). The address of the principal executive offices of the Issuer is 8350 Broad St., Suite 2000, Tysons, VA 22102.

Item 2. Identity and Background

(a) This Schedule 13D is being filed on behalf of (i) Standard General L.P., a Delaware limited partnership (“Standard General”) and (ii) Soohyung Kim (“Mr. Kim” and, together with Standard General, the “Reporting Persons”). The securities reported herein are beneficially owned by Standard General in its capacity as investment manager to private investment vehicles. Mr. Kim is a director of the general partner of the general partner of Standard General and Chief Investment Officer of Standard General, and in such capacities may be deemed to indirectly beneficially own the securities reported herein.

Each of the Reporting Persons disclaims beneficial ownership of the shares reported herein except to the extent of its pecuniary interest in such shares, and the inclusion of such securities in this report shall not be deemed an admission of beneficial ownership for any purpose.

(b) The business address of each of the Reporting Persons is c/o Standard General L.P., 767 Fifth Avenue, 12th Floor, New York, NY 10153.

(c) See Item 2(a).

(d) Neither of the Reporting Persons has, during the last five years, been convicted in a criminal proceeding (excluding traffic violations or similar misdemeanors).

(e) Neither of the Reporting Persons has, during the last five years, been a party to a civil proceeding of a judicial or administrative body of competent jurisdiction and as a result of such proceeding was or is subject to a judgment, decree or final order enjoining future violations of, or prohibiting or mandating activities subject to, federal or State securities laws or finding any violation with respect to such laws.

(f) See Item 6 of the respective cover page of each Reporting Person. Of the 21,124,315 shares of Common Stock reported herein as being beneficially owned by the Reporting Persons, 12,971,550 shares of Common Stock are currently held for the account of the above-referenced investment vehicles and 8,152,765 shares of Common Stock may be acquired for the account of such investment vehicles upon physical settlement of the swap agreements (the “Swaps”) described in Item 6.

Item 3. Source and Amount of Funds or Other Consideration

The shares of Common Stock reported herein as being beneficially owned by the Reporting Persons (the “Subject Shares”) were purchased using working capital of the private investment vehicles for which Standard General serves as investment manager. The aggregate consideration paid for the Subject Shares, excluding commissions, was approximately \$196,038,835.

Item 4. Purpose of Transaction

The Reporting Persons originally acquired, and continue to hold, the securities reported herein for investment purposes. Since the Reporting Persons’ initial acquisition of securities of the Issuer, the Reporting Persons have continually reviewed their investment in the Issuer in light of the Issuer’s published financial results and disclosures, changes in the trading price of shares of Common Stock, conditions in the securities market, and general economic and industry conditions and other factors. The Reporting Persons filed a Schedule 13G on August 14, 2019. The Reporting Persons are filing this Schedule 13D to supersede their previously filed Schedule 13G.

Subsequent to the Reporting Person’s 13G filing, the Reporting Persons have observed news articles, disclosures by the Issuer, and third party research reports regarding possible M&A activity relating to the Issuer.

The Reporting Persons have experience as significant shareholders and directors of publicly-listed television broadcasting companies. Furthermore, the Reporting Persons have a successful track-record of overseeing acquisitions, mergers, and sales processes of publicly-listed television broadcasting companies.

Accordingly, the Reporting Persons now intend to become actively engaged with the Issuer. These activities may include speaking with management, the board, other shareholders, and third parties to gather information and share the Reporting Persons’ views on the Issuer’s strategic alternatives, including the previously disclosed offers for the Issuer as well as any other proposals that may be made to the Issuer.

The Reporting Persons may also formulate plans or proposals regarding the Issuer and its operations, its assets, or its securities. Such plans or proposals may include one or more plans or proposals that relate to the Issuer’s business, management, strategic alternatives and direction, capital structure and allocation, corporate governance, and board composition. In addition, the Reporting Persons may acquire additional securities of the Issuer or may determine to sell, or otherwise dispose of, all or some of the securities of the Issuer presently beneficially owned by the Reporting Persons, in the open market or in private transactions. Such actions will depend upon a variety of factors, including, without limitation, current and anticipated future trading prices for the Common Stock, the financial condition, results of operations and prospects of the Issuer, alternative investment opportunities, general economic, financial market and industry conditions and other factors that the Reporting Persons may deem material to its investment decision.
