

TEGNA

Key Board Statistics

Our Board members have a diverse set of qualifications, skills and experiences and also reflect diversity of age, tenure, gender and race/ethnicity. The Board regularly evaluates its composition to ensure that the skills and experience of the directors as a whole enhance the ability of the Board to provide independent oversight of management as they execute on strategic initiatives to create sustainable stockholder value.

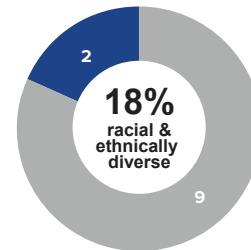

Since 2017, the Company has undergone a Board refreshment process to ensure our directors' expertise aligns with TEGNA's strategic evolution. During this period, we added four independent directors with deep expertise in media, technology, social/digital, and capital markets and transactional experience, supplementing the existing skills and experience of our Board.
